1. ABOUT THE COLLEGE

The Union Christian College (UCC), Aluva was founded in 1921 as an ecumenical, Indian Christian Initiative in the field of higher education in Kerala. The College is located on the banks of river Periyar, about 12 kilometers away from the Cochin International Airport. Affiliated to the Mahatma Gandhi University, the institution is known for its academic excellence and social commitment, and has been rated 'A' Grade by the National Assessment & Accreditation Council (NAAC).

This institution is managed by an association of members drawn from the Malankara Orthodox Syrian Church, the Jacobite Syrian Orthodox Church, the Malankara Marthoma Syrian Church and the Church of South India, and the Inter Church Fellowship of the College.

The founder members of the College, Mr. K. C. Chacko, Mr. A. M. Varki, Mr. C. P. Mathew, and Mr. V. M. Ittyerah, alumni of Madras Christian College, conceived and established the higher education institution that distinguished itself in its:

- Interdenominational management
- Participatory form of administration based on Christian fellowship
- Service to the nation
- Residential life
- Cosmopolitan and secular ethos
- Christian and humanistic values

These still remain the key features of UCC. The College, which initially was a fully-residential, has now on its rolls more day-scholars than residents. The present management, faculty, administration and students strive to live up to these cardinal values envisaged by the founding fathers.

1.1. VISION AND MISSION STATEMENTS

1.1.1 Vision

Serve the nation by facilitating and modeling wholesome and socially relevant education to actualize the values of humanism in accordance with the revelation in Jesus Christ.

1.1.2 Mission

The Union Christian College, extending God's love to all, is committed to providing an education that facilitates the holistic growth of students, and brings out the best in them so that they would serve our nation and humanity at large and the ecosystem as intellectually competent, morally upright and spiritually inspired persons.

1.2. COAT OF ARMS

The current emblem was adopted by the college in 1939. It comprises a flaming torch, a sheaf and an open book. The torch indicates the light of truth, conveying the idea of enlightenment. The sheaf marks the harvest of fruits from the pursuit of knowledge. And the book signifies the liberative quest for truth and knowledge.

1.3. COLLEGE MOTTO:

“THE TRUTH SHALL MAKE YOU FREE”

The college motto has been drawn from Jesus’ statement in the Holy Bible: “If you continue to obey my teaching, then you are truly my followers, then you will know the truth. And the truth will make you free” (John 8: 31). The great thinkers and sages of the world have acknowledged that the way to ultimate freedom is through the realization of the supreme truth.

The Rigveda proclaims: “Truth is the support of the earth”. Buddha exhorts: “Hold to the truth within yourselves as to the only lamp”. The Quran declares: “God is truth”. For Gandhiji, life had been both a pursuit of and experimentation with truth. His life demonstrates that truth is the way to freedom.

Traditionally, Truth has been considered, along with the Good and the Beautiful, as a supreme value. The pursuit of truth is in practice indistinguishable from the pursuit of knowledge. True knowledge sought in a spirit of enquiry, matures into wisdom and reverence for God.

The college is a community of teachers and students bound in partnership in this pursuit of truth, as well as those who assist them in this quest.

“Ultimate truth is ultimate reality and those who devote themselves to it will become gloriously free — free within and without”.

1.4. FOUNDER MEMBERS – GREAT VISIONARIES

Mr. K. C. CHACKO (1884 - 1947)

Following a brilliant academic career at Madras Christian College (MCC), Tamil Nadu, Mr. K.C. Chacko joined the teaching community of MCC as a Lecturer in Philosophy. He was greatly inspired and influenced by the life of Principal Dr. William Skinner. While in Madras, Mr. Chacko laboured day and night among the students and other young men of the city, passing on to them the message of Christ's call to fellowship in his name. His ceaseless activity adversely affected his health and in 1911 Mr. Chacko fell seriously ill with tuberculosis. Though the doctors gave up all hope of his recovery, he rested his mind on God's love and power to heal. He had a miraculous recovery, but could no longer subject himself to excessive physical strain or exertion. He joyfully channelized the tremendous energy of his vigorous mind to the ministry of intercession, helping individuals and groups to lead a Christian life. One of the prayer groups which came into existence this way was responsible for the founding of Union Christian College, the first, non-Roman Catholic Christian College in India owing its existence to an initiative within the country. Christian Fellowship as a God-given means of finding out God's will in every situation and of receiving God's answer to prayers in every need was the guiding principle of Mr. Chacko's life. He always thought of UCC as a centre where a fellowship consisting of members from different denominations of the Christian Church could unitedly experience Christ's sufficiency, and commend Christ to others, thereby effectively sharing the witnessing mission of the Church and working for the unity of the Church. In the growth and progress of the Union Christian College from its very humble beginnings, one can see the vindication of the deep faith of Mr. Chacko in the purpose and providence of the Almighty, and God's response to prayers in the name of Christ.

Mr. Chacko retired from active College service in 1943, but he continued to keep alive his association with his colleagues, friends and students. He also continued to strive for the unity of the Church in Kerala. He would often engage in deliberations and negotiations involving great mental and physical strain to bring unity within the Malankara Syrian Church to which he belonged. He died on September 15, 1947. Mr. Chacko was a rare Christian soul, who, in our generation experienced and helped others to experience in their daily life, work and problems, the reality of the presence, purpose and power of the Lord Jesus Christ. Chacko Hostel in UCC was named after this eminent person.

Mr. A. M. VARKI (1892 - 1944)

Mr. A.M. Varki was the first Principal of Union Christian College. He had a brilliant academic career and passed his B.A., M.A. & B.L. Degree Examinations with outstanding distinction. He was a student of Madras Christian College and later, a member of the teaching staff of MCC for a short period. He was also one of the founder members of Union Christian College. As Principal of the College during its first 20 years, he guided the destiny of the newly founded institute with mature wisdom and statesmanship. His

lectures, especially the ones on Shakespearean plays, as well as his addresses at the weekly College assembly or in the Chapel were an unforgettable experience to every member of the College. He was recognized as an experienced and seasoned educationalist and an able administrator. He was a member of the Syndicate of the Madras University and later of the Travancore University for several years. As an educationalist and as a leader of the Christian community, especially of the Malankara Syrian Church, he exerted a great influence in this part of the country. Great weight was attached to his views on all topics. His deep scholarship, mature and sincere views, his great gift of eloquence, and wide and sympathetic outlook towards life enabled him to win a position of great leadership that proved to be extremely useful to the College, the Church and the society. As a member of the first Mission of Fellowship sent by the Indian Churches to Great Britain and Ireland, he made a profound impression in the countries in which the group visited. Mr. Varki passed away on June 5, 1944. The College Assembly Hall was named after him.

Mr. V. M. ITTYERAH (1895 - 1985)

After completing his B.A. (Hons) Degree from Madras Christian College, Mr. V. M. Ittyerah joined the staff of MCC. A close friend and associate of late Mr. K.C. Chacko, Mr. Ittyerah was one of the first persons who shared with the great soul, the idea of founding Union Christian College. Ever since the day in 1921, when he came to the College Hill with a friend, to clear the jungle around the old, dilapidated and uninhabited building, which was to be Union Christian College's first home, Mr. Ittyerah was a common friend of everyone in the college community. In 1927, he left the College to undertake study at Oxford. He returned in 1930 after completing his B. Litt. Degree and was a staff of the College till he retired at the age of 60. His sincerity, his desire to be of help to all, his enthusiasm, humility and cheerfulness, enabled him to make a distinctive and valuable contribution to the development of the College. He served the College in various ways: as a teacher and warden, as a staff adviser to the Student Christian fellowship, as a staff organizer of relief, for the poor and needy neighbours of the College, as well as in several other ways. He was the Principal of the College from 1942 to 1947. Mr. Ittyerah retired from active service in the College in May 1957 and was later the Principal of Mar Thoma College, Thiruvalla, for three years. Even after his retirement, Mr. Ittyerah continued his close association with the work of UC College until his death on November 9, 1985. Generations of students of Union Christian College cherished their association with Mr. Ittyerah, who was to them an inspiring and consecrated Christian teacher, guide and friend. The Administrative block was named after him.

Mr. C. P. MATHEW (1896 - 1970)

Mr. C.P. Mathew had been a staff of Madras Christian College after graduating in Philosophy. He was a member of the original group, the vision and initiative of which were responsible for the founding of the Union Christian College. He had put the stamp of his powerful personality upon every aspect of the College. His sense of fairness, his

courage of conviction, his magnanimity and his undivided loyalty enabled him to make a unique and valuable contribution, both in shaping the policies of the college as well as in the conscientious and efficient discharge of day to day official duties. He was greatly respected for his profound scholarship in Philosophy and Theology and for the lofty ideals and principles which guided his life. He was also known for his fervent spirit of patriotism and devotion to the Church. He was a member of the Mission of Fellowship which visited England in 1938. He served as Principal of the college from 1947- '52. He was a member of the first elected Parliament of the Indian Republic during 1952-'57 and in that period he was also part of the Indian delegation to the UNESCO in Paris in 1952 and to the United Nations General Assembly in 1954.

Mr. Mathew continued to exert a great influence on the Christian Church and to take an active interest in the political milieu of the country. He also maintained a close association with the college until his death on September 24, 1970. The Mathew Block was named after him.

- (a) No student of a college shall get himself involved in any political activity by him/her or abet the said activity to be carried on by fellow students inside the campus in any manner whatsoever and any such activity is hereby banned inside the campus.
- (b) Taking part in any political activity by organizing students or to cause gathering inside the college campus for the purpose of doing any activity as defined in Rule 4 (6) shall constitute serious indiscipline. Every member of such a gathering shall be individually liable and responsible for the gross indiscipline in this regard and the Principal shall have the power to take disciplinary action against students who indulge in the aforesaid activities.
- (c) It shall constitute gross indiscipline to call for and appeal to strike based on policies and ideologies that may be preached by the political parties or their sister organizations or student wings. The participants in the strike as aforesaid shall be dealt with by the disciplinary authority and they shall be imposed appropriate punishment as provided in these rules.

Abide by the Rules

Rules and regulations alone cannot make a good College or Hostel; the most important point is that students and staff alike should have as piritofloyalty and friendliness, and an earnest desire to join together in making their Hostel and College everything that they ought to be. But when a number of people are thus attempting to live together in a community, they have to be willing to be guided by certain rules or accepted traditions, so as to prevent disorder and confusion. Rules and regulations are formulated with this purpose in view and should not be regarded as something imposed mechanically from outside. These notes draw attention to some of the more important of the rules and customs by which our corporate life is, or ought to be regulated. It would be a very good thing if every member of the College would carefully note them and try to respect them both in letter and in the spirit.

Life in the college should enable students to acquire good conduct, pleasing manners and gentlemanly behavior. It is meant to teach students to be courteous by considering others or those less privileged, as equals or superior than themselves. In this respect, particularly in the matter of teacher - student relationships, our country has a great and noble tradition and it is the duty of all members of the college as cultured and educated citizens to be worthy of our great traditions.

(d) No student of a college shall stage or indulge in any activity like Dhama, Gherao, obstructing entry to and from any class room, office, hall or other places inside the campus and such activities shall be treated as misconduct as per court order.

(e) No student shall shout slogans inside the class rooms, office or any other place inside the campus and obstruct and interfere or cause disturbance and nuisance to the ordinary functioning of the institution. These activities shall be treated as misconduct as per court order.

13.2. The Procedure for Imposition of Punishment

(a) The Principal of the college shall be the disciplinary authority in respect of the students in the college.

(b) If it comes to the notice of the Principal that a student or a class of students have committed misconduct as referred to in Rule 5 above and that the Principal is perceives that there is prima facie enough material in the allegation against the delinquent student, he/she shall immediately pass an order suspending the student/ students from the college.

(c) If the Principal thinks that the delinquency alleged in the complaint requires further investigation/enquiry, he/she shall report the matter to the College Council. After reporting the matter and after seeking the views of the Council, the Principal shall appoint a competent teacher, or a team of teachers to enquire into the matter and to submit the report at the earliest.

(d) The Enquiry Officer so appointed shall conduct enquiry without delay after gathering oral or written evidence from the

complainant as well as the person against whom the allegations/delinquency, were made. The Enquiry Officer also shall give fair and reasonable opportunity to all the parties and shall submit a report to the Principal. Based on the report the Principal shall take appropriate action, which he deems fit, including the imposition of the following punishments.

1. Imposition of fine
2. Issuance of compulsory transfer certificate.
3. Dismissal from the college.

In the event of imposition of punishment, dismissal or compulsory issuance of transfer certificate, the Principal shall forward the order along with the report to the University.

The student shall not disfigure the class rooms, compound wall, or other buildings, inside the college campus by pasting posters or write on the walls in connection with any activity. They shall not damage or destroy any furniture, equipment and other materials inside the college campus. In the event of any student indulging in any such activities, a fine shall be imposed on him/her, to be fixed by the Principal of the College after evaluating the extent and magnitude of the damages so caused.

The aforesaid imposition of fine is without prejudice to the liability of the delinquent student for prosecution under the provisions of the Indian Penal Code or under the provisions of Prevention of Damage to Public Properties Act. The damage so fixed by the Principal shall be recovered as arrears of land revenue and in the event of nonpayment, the recovery proceedings shall be taken against the person responsible.

13.4. Students' Grievance Redressal Committee

The committee shall meet once in every month and evaluate the steps taken to frame guideline or general instructions or directions for the maintenance of peaceful atmosphere in the campus. The Committee shall generally discuss the various basic problems of the students and any unhealthy relationship between the students, students and teachers or students and non-teaching staff of the College and suggest and implement remedial measures (See page 30 to know your Grievance Redressal Committee Members).

genuine and filed within the period of 30 days from the date of receipt of the order. The appellate authority shall also have the power to condone the delay in filing the appeal if it is proved to the satisfaction of the appellate authority by the appellant that he/she was prevented by sufficient cause from preferring the appeal within the time.

Accordingly, the use of Mobile Phones, Camera Phones, Music Phones, etc. by students inside the campus is strictly prohibited. Ordinary Mobile Phones should be kept switched off during working hours. Indecent cinematic dances and fashion shows are also prohibited in the campus.

14. SPECIAL RULES

14.1. Academic Work and Leisure

Nobody has any right to be in the College at all unless he is doing his/her academic work as well as he/she can do it. An idle or careless student or teacher is guilty of committing a fraud on the community. Hard and conscientious work throughout the year— not on the eve of the examination only — by teacher and student alike would greatly help to ensure a happy and successful college life.

A major part of our college work is done in the class rooms. Therefore we should all strive to create that congenial atmosphere in the class rooms, where it would be possible for the teacher to give his/her best and the student to receive to the limit of his /her capacity. A conscious effort is needed to preserve the atmosphere suitable for concentrated academic work.

But college life cannot be entirely taken up with study. It is hoped that every student will get much pleasure and profit from games, debates, discussions and in the company of other students. We should try to make sure that whatever we do to amuse ourselves in our leisure moments does not interfere with other people's studies or with their liberty.

14.2. Games

It is most desirable that every students plays some open-air game in the evening. Those who have not previously played any, would find it easier to begin at the beginning of the college year rather than a few months later. When we are not ourselves playing, but instead are watching an inter-collegiate or inter-departmental match we should remember that our college expects every member to show appreciation of both the teams. Those who play matches as well as those who watch need to remember that it is a part of a sportsman's training to take victory with good grace avoiding arrogance and accept defeat honourably without despair and ill will.

During the inter-collegiate and inter-departmental matches / games, players and spectators are expected to maintain the decorum and show appreciation to all teams.

14.3. Care of Property

Every student is expected to take care of the buildings, grounds and furniture of the college. Students are requested not to litter the campus, and to use the separate containers/ bins meant for the waste material, the biodegradable, and the plastic waste.

14.4. Meetings, debates etc.

Meetings and debates should be carried on with the order and dignity befitting an academic society.

14.5. Special rules for the Societies and the College Union

Secretaries of the Societies and the College Union are requested to observe the following rules:

1. Do not invite speakers to the college without first consulting the President of your Society or Staff advisor, and the Principal.
2. Whenever a meeting is arranged in the college give particulars about it to the Principal sufficiently early. This will also help to avoid conflict with the other programmes in the college.
3. It is better to avoid entertainers from outside the college community since it is student enterprise that the college wants to encourage. If under special circumstances outside agencies have to be invited, the details of the performance must be explained to, and permission obtained from the Principal before appointments are fixed with those agencies.

15. COLLEGE RULES

15.1. Admission and Withdrawal

1. All candidates for admission must acquaint themselves with the rules and regulations of the college and will be bound by them if admitted.

4. Any student who leaves the college without the express permission of the Principal, before completing the UG/PG Degree Course as the case may be will receive no certificate of character, but on sufficient cause being shown, the Principal will transfer the student to another college or will allow him/her to discontinue his/her study. In such circumstances, the college will give him/her certificate of character at such time as in the opinion of the Principal may seem proper.

5. **Certificate of Good Conduct** is a document which the student has to earn. It will not be issued as a matter of course. Application for conduct certificate should be given as soon as possible after the student leaves the college.

21. THE UNION CHRISTIAN COLLEGE OLD STUDENTS' AND FRIENDS' ASSOCIATION

With its rich history spanning nearly a century, the U. C. College is blessed with its own unique traditions and a family of alumni and friends living all around the globe, who have achieved great success in careers and in life. These alumni and friends look to UCC with great warmth and gratitude and yearn to maintain a lifelong connection with their *alma mater*. The U. C. College Alumni Association was established in response to this recognized need. It was designed to provide a forum for connection and fellowship for the alumni and friends globally with the U. C. College community as a whole. The intent is to create a lasting bond of friendship between all alumni everywhere, a bond that will be enjoyable and rewarding to the college and the alumni.

A formal Constitution for the Association was adopted in February 28, 1969. The membership is open to the Old Students, Staff and friends of the College. The fee for life membership and donor membership are Rs. 500/- and Rs. 1000/- respectively. Similarly, the annual membership fee is Rs. 10/-, but students who pay Rs. 40/- at the completion of a course in the College would be considered members for six years.

Learning from examples of several universities and colleges across the world, the U. C. College Alumni Association hopes to serve as a link for the alumni to share their rich experience, skills, ideas, time, loyalty and financial resources with the *alma mater*. Such support will help the U. C. College to grow in the contemporary global environment and promote its mission of academic excellence. This will no doubt, advance the reputation of the college and its alumni. The active participation of the alumni worldwide and their support are key elements in the success of the association and of the college.

UCC is proud of her sons and daughters who have gone out with flying colours, for they are the ones who transfer vision and aspirations to the young. Their love, fostering and sharing nurtures the fond feelings of being a 'UCCian' and the joy of having an extended family in the younger minds at UCC.

The feeling of having the legacy of a common brotherhood is shared on every second Saturday of November, when the past and present generations unite together in the VMH for General Body meetings and discussions, under the willowy shades of the Mahogany trees to recapture the teenage dreams, and in the college canteen for a sumptuous meal together. To facilitate alumni participation and foster the sense of belonging, a number of other events are arranged by the Association during the year. These include a July meet on second Saturday in July, batch reunions, lectures, topical seminars, newsletters, alumni web site, etc. The college warmly welcomes recommendations from the alumni on improving the academic quality, supporting research projects, promoting industrial liaison in collaborative research, international linkage, or developing value-added alumni projects. It is too prosaic to state that the college will greatly benefit from the financial support of alumni who have richly benefited from a UCC education and who are willing to share their blessings with the generations that

follow them through the portals of UCC. That will be the symbolic thanksgiving to our *alma mater*.

It is pleasing to note that a number of alumni endowments have already been established in UCC that offer scholarships to deserving students. Much more financial resources are needed by UCC especially to meet the long recognized need to vastly improve its infrastructure. That will continue to be the greatest need in the coming years. The UCC alumni community is spread all around the globe. In order to foster closer interactions and networking among them, many regional alumni associations have been formed and more are being considered. Two such lively alumni associations outside India are the Union Christian College Alumni Association of North America (UCCAANA) and the Union Christian College Alumni Association of Kuwait (UCCAANK). Associations at Kuwait, Bahrain, Qatar (Doha), Oman (Muscat), and the UAE (Dubai, Abu Dhabi & Sharjah) in the Gulf area.

In North America, a non-profit organization of the alumni and friends, under the name Union Christian College Alumni Association of North America (UCCAANA) was formed and registered in 2006 as a legal entity. This organization has the stated mission to provide a forum for networking among the alumni and to support the *alma mater* in academic renewal & excellence. It has set up an educational endowment in UCC also.

Besides, chapters of UCC Alumni have been actively functioning in various parts of India such as New Delhi, Madras, Bangalore etc.

One third share of the interest is to be added to the capital every year Further, in November 2013, Dr. Abraham C. Kulangara has donated additional amount of Rs.3, 00,000/- to the college. The annual interest of this amount will be used to award nine more scholarships of Rs. 2000/- each for students of MCA program on the basis of recommendation from MCA Department.

Dr. P.C.Alexander, former Governor of Maharashtra, who was a student in this college in the intermediate class during 1936 – 38, has donated Rs. 1,00,000/- in 1998. A share of the annual interest of the amount (approx. Rs. 6000/-) will be used for the award of scholarships to eligible students.
11	Vidwan P. G. Nair Endowment In the year 2000, the children of Vidwan P. Gopalan Nair set up an endowment in U. C. College in their father's name to promote research and advanced studies in Malayalam literature. This has been the single largest endowment in U. C. College's history with a start-up amount of Rs. 11, 00,000. Interest accruing annually from the fund is used to provide research fellowships. In addition, Dr. Sarmadharan established the Vidwan P. G. Nair Loan Scholarship with a contribution of Rs. 2, 00,000 as well. Since 2007, under the auspices of the Endowment, the Vidwan P. G. Nair Memorial Research Centre at the Malayalam Department has been annually conducting a comprehensive literary and cultural program over the course of three days. The program consists of seminar presentations by invited leaders in Malayalam literature, and outstanding cultural programs that depict the art and cultural heritage of Kerala. The Malayalam Department needs to be commended for its imaginative development of these events each year which have become an eagerly awaited draw for the whole campus and the community. The seminar themes are carefully selected by the Malayalam Department, and the proceedings are published as books and released during the opening ceremony of the following year's program. In 2014, the original endowment fund (Rs. 11 Lakhs) was supplemented by an additional contribution of Rs. 14, 00,000. This enables the research fellowship value to be raised to be competitive.
