

NEWSLETTER 2020

UNION CHRISTIAN COLLEGE, ALUVA

Greetings to one and all!

The end of 2019 and beginning of 2020 were normal with lots of academic as well as non-academic activities in the college. As we all know, from March 2020, everything came to a standstill. After the Covid-19 lock-down, college activities resumed and online classes were started. End-semester examinations were conducted successfully. Online teaching and learning brought many unprecedented problems before us. Students without online access, due to lack of gadgets or data connectivity, were the worst affected. The College, with the help of Old Students' Association, gathered funds to provide mobile phones to needy students with the "Gandhimavu Challenge". Also, we are working on providing free data for those students who cannot afford it. Another programme envisaged to reduce the digital divide is to arrange laptop computers in the college for the use of students in their project, seminar preparation etc., on rental basis. The College has good faith in the continuing support and generosity of its old students and well-wishers and hopes that all these challenges can be met

adequately.

Covid-19 pandemic has made the task of organizing seminars easier. All the seminars, or more precisely, webinars, are online. All the departments and some clubs and societies enthusiastically organized webinars on various topics with very eminent and well known experts as invited speakers, immensely benefitting students and the teaching community, within the college and outside. The number of participants was also large because of the convenience of attending the webinars from the safety of one's own place.

The College has lots of dream projects to fulfill as part of our Centenary. One of them is to upgrade our library to an international standard and to become a knowledge hub in this part of the country. The preliminary part of the work has been done with the help of Habitat Technology Group, headed by People's Architect, Padmasri Dr. G. Shankar. A multi-storeyed building, adjoining the existing nostalgic library building, having all the modern facilities, is in the offing.

By way of innovation, we have designed a light board to facilitate online classes, with a plan to record 100 such classes on various topics in this centenary year, to benefit students as well as the public. We have also constructed a near sound-proof recording studio for online classes, at professional standards.

The College has been sanctioned a new B.VoC. degree programme in Advanced Multi-Sports and Fitness Training and a Bachelor degree course in Sports Management. Let's hope for a better future in the post pandemic period with lots of new pedagogic practices and new areas of knowledge.

I wish to express my gratitude to our Manager, Rev. Thomas John, Members of Deans' Council, Bursar, Dr. M. I. Punnoose, IQAC, Examination cell, faculty members, non-teaching staff, supporting staff, alumni and students for the great support in the smooth conduct of administration. I thank Almighty God for the blessings bestowed upon this institution in its hundred years of existence. I am sure that those who love the college will carry Union Christian College, Aluva, as an emotion in their mind for many years to come.

Thank you all and signing off,

Dr. David Saj Mathew P.

Principal/DDO

OSA Reunion Meet - 2020

*UC College invites
alumni to the
Reunion
on*

14th Nov 2020

Through online platform

From 9:00 AM onwards

9:00 AM : Thanksgiving Service

9:30 AM : Public Meeting

10:00 AM: Reminiscences

General Body Meeting will held

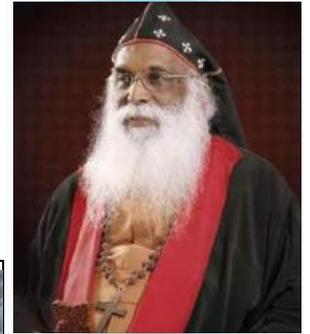

latter due to COVID-19 Protocol

In Loving Memory

The Inauguration of the Malayalam Alumni Day and the closing ceremony of Silver Jubilee celebration of M.A. Malayalam programme held on 29.2.20 were graced by Film director Sibi Malayil, writer Francis Norona and Shri D. Santhosh.

H.G. Dr. Joseph Marthoma Metropolitan, one of our distinguished alumni, passed away on 18th October. We remember him with much love, thank God for his life and witness and join in the sorrow of the Malankara Syrian Marthoma Church.

The 2019 Alumni Reunion was celebrated on 9th November, 2019. Sri. Sajen Peter IAS, alumnus and former Additional Chief Secretary to the Government of Kerala was the chief guest. It was followed by reminiscences and cultural programmes by old students, and the business meeting.

Computer Science Department Alumni Meet was conducted on 28.12.20 with enthusiastic participation from teachers and students, who were there at the inception of the programme.

41 Students of 2020 batch, along with faculty went to Malaysia for international industrial visit to Royal Selangor, a pewter manufacturing company, to understand the production process and operations management, to be inculcated in their academia.

UCCAANA had an alumni family reunion in New Jersey, USA. Since the coronavirus pandemic limited interactions this year, a reunion planned in North Carolina had to be cancelled.

North Carolina had to be cancelled.

Coursera for Campus

Coursera, one of the highly reputed online learning platforms, in collaboration with universities globally, provides any college or university, impacted by the coronavirus, free access to its Coursera for Campus product and catalogue. Ms. Greeshma K., Asst. Prof. of Computer Science, has coordinated 3307 enrolments by 527 students and faculty members so far, with more than 650 certificates acquired from reputed universities around the globe. Those who have registered this year get the added benefit of doing a course per year, absolutely free of cost, over the coming years.

All Kerala Inter-Collegiate
Competitions Elocution, Old
Students' Association, U.C. College,
Aluva 2019 winners

(Guruvayoorappan College)

3rd Prize -Sidharth M. Joy,

(University of Kerala)

**--Prof. A K. Abdul Kareem Memorial
Ever-rolling Trophy (Quiz)**

1st Prize- Sarath V R,

(TKM College of Engineering)

2nd Prize- Prince R and Govardhan BS,

(S N College)

As our college steps into the centenary year the greatest asset has been the alumni network. On the request from concerned alumni we have opened a new bank account 'UCC OSA Centenary Funds'. We are delighted to announce that your generous contributions have 80 G tax exemption. The initial collection has been utilized under the digital campus support project. We acknowledge the generous contributions from individuals, batches and overseas alumni chapters.

Due to Covid-19 lockdown of educational institutions, All Kerala Inter-collegiate Quiz, Elocution competitions instituted by the old students in memory of Prof. E Narayanan Nambiar and Prof. AK Abdul Kareem were not held this year.

Union Christian College became a SWAYAM-NPTEL Local Chapter in June 2018. Ms. Gincy Abraham, Asst. Prof. of Computer Science is the SPOC of NPTEL & SWAYAM online courses. Ms. Renju Chandran & Ms. Sneha Rose George, Faculty, were recognized as NPTEL Believer & Discipline Star. So far, 332 courses have been successfully completed by students and faculty.

INTERNATIONAL LINKAGES

As part of the Cultural Exchange Programme, a thirteen-member team from Bellarmine University, USA, visited Dept: of Malayalam on 18.12.19, with various cultural events being performed both by the visiting team and host students.

SCF

A team of 26 SCM members from Germany and other states of India, led by General Secretary, SCM(India) Rev Inbaraj Jeyakumar and ESG- Bonn pastor Rev. Michael Peus, visited the college on 3rd March and spent the day interacting with students and staff. SCF annual camp was held from 31.1 - 2.2.20 at Aeli Hills, Aluva on 'Education- A Preparation to God's Call'. Adhit Chandy George, Maheshpriya, Jissa Mathews and Merin John got selected by SCM(I) to attend various national camps. A webinar was organised on 21.9.20 on 'Happiness: It's inside You' by Fr. Sanil Mathew Mayilkunnel S.J.

Research Centre, Department of Physics has established international research collaborations with Facultad de Ingenieria Mecanica y Electrica, Universidad Autonoma de Nuevo Leon, Av. Universidad s/n, Cd. Universitaria, San Nicolas de los Garza, Nuevo Leon, Mexico and Department of Physics, Hope College, Holland, Michigan, USA from 2014 onwards. In 2019-20 6 research papers were published in reputed international journals out of this collaborative research.

Centre for Peace Studies and Dialogue

Youth find joy in the process of peace building. The training at CPSD helps students to develop a critical approach to social and personal issues and turn around perspectives. Inter-religious meeting & discussions on issues that make headlines led to internal transformation and broadening of minds. Peace volunteers collected memories, the sharing of which reduced the trauma of the survivors of the 2018 floods. CPSD has developed short teaching modules in peace studies and supports other institutions engaged in the same.

Kunnukara Grama Panchayath has instituted a Kuttippuzha Krishna Pillai Memorial Library & Research Centre, as a tribute to the great writer & erstwhile faculty of UCC.

UCC Placement Cell

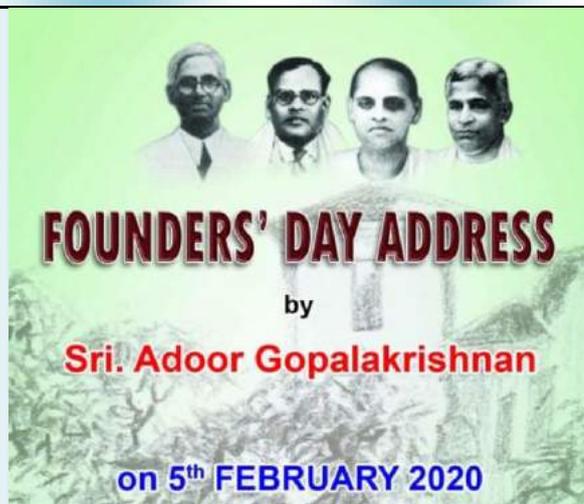

The placement Cell has become a student oriented zone on campus under the guidance of placement committee. 28 sessions were provided to the registered students according to their relevance in skill development followed by the mock test and interviews.

174 students got placed in different platforms in UCC placement 19-20. After a long gap, UCC placement cell conducted a Job fair with 45 organizations, from all domains, participating.

The college has introduced a light board system aimed at making online classes more effective, by giving the feel of a live class. The light board was dedicated

by Rev Thomas John Manager, in the presence of Dr. David Saj Mathew, Principal and the team who worked behind this idea, Dr. Anil Thomas Koshy, Dr. Vidhu Narayan & Dr. Sunil Abraham Thomas along with the support of college works department

The Founders' Day address was delivered by noted film director Sri. Adoor Gopalakrishnan on 5th February 2020. In his talk he elaborated on the need for a new visual culture in the present generation and sensitivity to social realities as the new imperative. The Principal Dr. David Saj Mathew presided over

the meeting. The Manager Rev. Thomas John paid tributes to the founding fathers by reminiscing on their lives and contributions.

Introduced a new application to the registered students to evaluate their skills and ability.

To ensure more outputs on recruitments, the training sessions and add on courses like Excel, Word, PPT have been included for the first year students as well.

BIO SCIENCES

An invited lecture on “Structural Studies of Proteins involved in Blood Clotting and Atherosclerosis” by our distinguished alumnus, Dr.Kottayil Iype Varughese, Professor of Physiology & Biophysics, University of Arkansas for Medical Sciences, USA, was organised on 25. 10 2019.

As part of Popular Science Lecture Series 2019, in association with Indian Women Scientists Association and supported by BRNS-DAE, Dr. Saji George, Distinguished Scientist and National Chair, RGC, Thiruvananthapuram and CEO, Bionest, Kakkanad, deliberated on “Bench to Bedside: A Pharmaceutical Perspective” and Opportunities for Entrepreneurship in the Life Science Sector. Dr. Jikku Jose, CEO, Scire Sciences Pvt.Ltd., spoke on Research Methodology in Life Sciences.

Two-day HR Training and Career Guidance Sessions for final year undergraduate and post graduate students on 21&22.11.19, had Dr Sreeja Narayanan, Post Doctoral Fellow in Biotechnology, CUSAT and Mr. Harikumar D, HR Trainer & Coach, as resource persons. Hands-on Training in Molecular Techniques and Gene Cloning in association with Hi-Media Labs for students of M.Sc.Biotechnology was held from December 10-12, 2019.

Ms. Anjali Vasudevan (BT&SP) won 1st prize in Paper Presentation competition for ‘Genome Annotation of Corona Virus’ on the occasion of National Science Day Celebrations with the focal theme ‘Women in Science’ conducted by Department of Biotechnology & Microbiology at M.E.S College of Advanced Studies.

Mr. Nijo Jackson (BT&SP) got recruited in Zifo R & D solutions in placement conducted by Placement Cell.

Ms. Sadiya C.A.(BT&SP) and **Ms. Anjali Vasudevan** (BT&SP) got selected in Summer Research fellowship instituted by CSIR for 2020 and completed their internships.

ECONOMICS

Dr Tiji Thomas IRS delivered the 15th **Dr M V Kurien Commemorative Lecture** on 11.2.20 on the various tax reforms undertaken in India including the recent fundamental tax reform of GST.

On 22.5.20, Dr. Mathew Kurien J, Joint Director, Dr K.N.Raj Study Centre, MG University, inaugurated the Department webinar series, with a talk on “Post Covid Kerala: Problems and Prospects”, followed by a lecture on 28.5.20, by Dr Madhavankutty G, Head, Banking and Economic Research, Economic Times, Mumbai, on “Post Pandemic Realities : Towards a Post Covid Economy”.

“ICT enabled Teaching & Learning - Capacity Building Session” by Mr. Cijin K Paul, Assistant Professor of Computer Science, Union Christian College, was held on 27.10.20.

Random Walks - An All Kerala Inter Collegiate Economics Fest, was held on 20.2.20. Events included Espresso (Paper Presentation) and Arthapedia(Quiz)

Ms. Merin John (III BA Economics), represented college in Convergence, a virtual exchange programme conducted by Singapore University of Social Sciences. **Adith Chandy Goerge** (III BA Economics) is National Executive Member of Student Christian Movement (SCM)

CHEMISTRY

Sasthra Jaalakam, a three-day residential workshop for school students funded by State Institute of Educational Technology (SIET) to inculcate scientific temper and increase proficiency in scientific knowledge was held from 28th to 30th nov with lectures and demonstrations on various topics in Physics, Chemistry and Life Sciences.

Sasthra Padham, a three-day residential workshop funded by *Samagra Shiksha*, Kerala for Plus One students, was held from 1st to 3rd feb.

Prof. T. R. Anantharaman & Dr. A. M. Chacko Memorial National Seminar was held on 6.2.20 with lectures on "Spectroscopy and Microscopy of Surfaces" by Dr. C. P. Vinod, CSIR-NCL, Pune and "Batteries on Fire-Chemistry Nobel Honours the World" by Dr. Prasanth Raghavan, CUSAT.

Dr. A. M. Chacko Memorial Lecture was delivered on "Dynamic Chemistry Beyond the Molecule" by Prof. Subi Jacob George, New Chemistry Unit, SAMat, JNCASR, Bangalore on 24.10.20

The department and IQAC partnered with Guru Angad Dev Teaching Learning Centre of MHRD, Govt. of India, under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching, SGTB Khalsa College, Delhi University in organizing a one-day National Webinar on "Towards Excellence in Higher Education in India in 21st Century" on 28.8.20.

DBT-Star Sponsored Centenary Lecture Series on "Organic Porous Two-Dimensional Polymers for Catalytic and Energy Applications" and "Architectural Adventures with Self Assembled Coordination Cages" were delivered by Dr. Santhosh Babu Sukumaran, NCL, Pune and Dr. Dilip Kumar Chand, IIT Chennai.

Webinar Series

- "The Beauty of the Quantum World" by Mr. Aravind K, S.B.College, Changanassery
- "Nobel-Laureate Materials- A Great History in Science" by Dr. Prasanth Raghavan, CUSAT
- "Stimuli-responsive Supramolecular Materials" by Dr. Krishnan Kartha Kalathil, University of Muenster, Germany
- "Nanomaterials: Characterization and Applications" by Dr. Neenu Varghese, AstraZenecaAB, Gothenberg, Sweden
- "Photocatalytic Organic/Inorganic binary hybrids of Graphene" by Dr. Honey John, CUSAT.

On 16.9.20 an E-Quiz on "World Ozone Day" was conducted for students and faculty..

Adhunik Sahitya: Vividh Dharayem, with Dr. Ruby Elsa Jacob as Main Editor has been published by Vidya Prakashan, Kanpur.

Ashiyaana Club conducted an online quiz based on the selected short stories & biography of the renowned Hindi writer Premchand in connection with his 140th Birth Anniversary celebrations.

Quiz on Indian Freedom Struggle, Recitation & Versification

competitions were conducted in connection with Independence Day. Hindi Fortnight Celebrations comprised various competitions from 14th to 28th Sep 2020.

PHYSICS

A residential two-day workshop on fundamental physics for selected UG & PG students from all over the state was envisaged to raise the department to a platform for students to interact with the eminent faculty working in the area and to continue the interaction during their course of study. Dr. Madhu K and Dr. Pramod Dominic, two experts in theoretical physics served as the resource persons

for lectures, tutorials and discussions.

National Seminar on Condensed Matter Physics, a DST & DBT STAR sponsored three-day national seminar covered fundamental as well as applied research topics in the frontier areas of condensed matter Physics.

Higher Secondary School Teachers' Transformation Program (HSSTTP) was conducted for the second time from November 1-10, 2019. Extensive lectures on essential topics at higher secondary and advanced levels, sessions dedicated to imparting skills in laboratory and computing, innovative demonstrations of physics greatly benefitted the participants.

On Nagasaki Day, an online quiz program for students across the country based on atomic physics was organized by final year B.Sc. students with participation from 460 students from school level to premier higher educational institutes in the country.

Eight final year B.Sc. Physics students, Amritha S. Raj, Arya P.N., Divya Shaju, Greeshma Rajan, Krishnaja M.U., Rameesa Majeed, Mehzooz Nizar and Srihari R.S. have been awarded the prestigious Inspire scholarship. Ms. Sreelakshmi M Nair has been selected for KSCSTE Research fellowship program and Anson Thampi, B.Sc student, has qualified JEST exam with all India rank 148.

HISTORY

Prof .A K Baby Memorial Lecture ,2020 was delivered by Prof. Kesavan Veluthat, Director, Institute for Studies in the Heritage of Coastal Kerala (ISHCK), on 7.3. 20 on *Identities and Affiliations: Kerala in India*.

Centenary Erudite Lecture Series was inaugurated with "On Doing Gender History" by Prof. J Devika, Centre for Development Studies, Trivandrum, followed by "Revisiting the 1918 Flu Pandemic in India" by Prof. Gopinath Ravindran, Vice Chancellor, Kannur University, "Natural Philosophy to Social Science Through Science" by Prof. Rajan Gurukkal, Chairman, Kerala State Higher Education Council and "Maritime History of India: Historiographical and Methodological Issues" by Prof. Pius Malekandathil, Centre for Historical

Studies, JNU.
