1. ABOUT THE COLLEGE

The Union Christian College (UCC), Aluva was founded in 1921 as an ecumenical, Indian Christian initiative in the field of higher education in Kerala. The College is located on the banks of river Periyar, about 12 kilometers away from the Cochin International Airport. Affiliated to Mahatma Gandhi University, Kottayam, the institution is known for its academic excellence and social commitment, and has been rated 'A' Grade by the National Assessment & Accreditation Council (NAAC). The college, placed 97th in the NIRF ranking of colleges across India in 2021-22, improved its position to 77th in 2022-23.

This institution is managed by an association of members drawn from the Malankara Orthodox Syrian Church, the Jacobite Syrian Orthodox Church, the Malankara Marthoma Syrian Church and the Church of South India, and the Inter Church Fellowship of the College.

The founder members of the College, Prof. K. C. Chacko, Prof. A. M. Varki, Prof. C. P. Mathew, and Prof. V. M. Ittyerah, alumni of Madras Christian College, conceived and established the higher education institution that distinguished itself in its:

- Interdenominational management
- Participatory form of administration based on Christian fellowship
- Service to the nation
- Residential life
- Cosmopolitan and secular ethos
- Christian and humanistic values

These still remain the key features of UCC. The college, which initially was fully residential, has now on its roll more day-scholars than residents. The present management, faculty, administration and students strive to live up to these cardinal values envisaged by the founding fathers.

1.1. VISION & MISSION STATEMENTS

Vision

Serve the nation by facilitating and modeling wholesome and socially relevant education to actualize the values of humanism in accordance with the revelation in Jesus Christ.

Mission

The Union Christian College, extending God's love to all, is committed to providing an education that facilitates the holistic growth of students, and brings out the best in them so that they would serve our nation and humanity at large and the ecosystem as intellectually competent, morally upright and spiritually inspired persons.

1.2. COAT OF ARMS

The current emblem was adopted by the college in 1939. It comprises a flaming torch, a sheaf and an open book. The torch indicates the light of truth, conveying the idea of enlightenment. The sheaf marks the harvest of fruits from the pursuit of knowledge. And the book signifies the liberative quest for truth and knowledge.

1.3. COLLEGE MOTTO:

“THE TRUTH SHALL MAKE YOU FREE”

The college motto has been drawn from Jesus’ statement in the Holy Bible:

“If you continue to obey my teaching, then you are truly my followers, then you will know the truth. And the truth will make you free” (John 8: 31). The great thinkers and sages of the world have acknowledged that the way to ultimate freedom is through the realization of the supreme truth.

The Rigveda proclaims: “Truth is the support of the earth”. Buddha exhorts: “Hold to the truth within yourselves as to the only lamp”. The Quran declares: “God is truth”. For Gandhiji, life had been both a pursuit of and experimentation with truth. His life demonstrates that truth is the way to freedom.

Traditionally, Truth has been considered, along with the Good and the Beautiful, as a supreme value. The pursuit of truth is in practice indistinguishable from the pursuit of knowledge. True knowledge sought in a spirit of enquiry, matures into wisdom and reverence for God.

The college is a community of teachers and students bound in partnership in this pursuit of truth, as well as those who assist them in this quest.

“Ultimate truth is ultimate reality and those who devote themselves to it will become gloriously free — free within and without”.

1.4. FOUNDER MEMBERS – GREAT VISIONARIES

Prof. K. C. CHACKO (1884 - 1947)

Following a brilliant academic career at Madras Christian College (MCC), Tamil Nadu, Prof. K.C. Chacko joined the teaching community of MCC as a Lecturer in Philosophy. He was greatly inspired and influenced by the life of Principal Dr. William Skinner. While in Madras, Prof. Chacko laboured day and night among the students and other young men of the city, passing on to them the message of Christ’s call to fellowship in his name. His ceaseless activity adversely affected his health and in 1911 Prof. Chacko fell seriously ill with tuberculosis. Though the doctors gave up all hope of his recovery, he rested his mind on God’s love and power to heal. He had a miraculous recovery, but could no longer subject himself to excessive physical strain or exertion. He joyfully channelized the tremendous energy of his vigorous mind to the ministry of intercession, helping individuals and groups to lead a Christian life. One of the prayer groups which came into existence this way was responsible for the founding of Union Christian College, the first, non-Roman Catholic Christian College in India owing its existence to an initiative within the country. Christian Fellowship as a God-given means of finding out God’s will in every situation and of receiving God’s answer to prayers in every need was the guiding principle of Prof. Chacko’s life. He always thought of UCC as a centre where a fellowship consisting of members from different denominations of the Christian Church could unitedly experience Christ’s sufficiency, and commend Christ to others, thereby effectively sharing the witnessing mission of the Church and working for the unity of the Church. In the growth and progress of the Union Christian College from its very humble beginnings, one can see the vindication of the deep faith of Mr. Chacko in the purpose and providence of the Almighty, and God’s response to prayers in the name of Christ.

Prof. Chacko retired from active College service in 1943, but he continued to keep alive his association with his colleagues, friends and students. He also continued to strive for the unity of the Church in Kerala. He would often engage in deliberations and negotiations involving great mental and physical strain to bring unity within the Malankara Syrian Church to which he belonged. He died on September 15, 1947. Prof. Chacko was a rare Christian soul, who, in our generation experienced and

helped others to experience in their daily life, work and problems, the reality of the presence, purpose and power of the Lord Jesus Christ. Chacko Hostel in UCC was named after this eminent person.

Prof. A. M. VARKI (1892 - 1944)

Prof. A.M. Varki was the first Principal of Union Christian College. He had a brilliant academic career and passed his B.A., M.A. & B.L. Degree Examinations with outstanding distinction. He was a student of Madras Christian College and later, a member of the teaching staff of MCC for a short period. He was also one of the founder members of Union Christian College. As Principal of the College during its first 20 years, he guided the destiny of the newly founded institute with mature wisdom and statesmanship. His lectures, especially the ones on Shakespearean plays, as well as his addresses at the weekly College assembly or in the Chapel were an unforgettable experience to every member of the College. He was recognized as an experienced and seasoned educationalist and an able administrator. He was a member of the Syndicate of the Madras University and later of the Travancore University for several years. As an educationalist and as a leader of the Christian community, especially of the Malankara Syrian Church, he exerted a great influence in this part of the country. Great weight was attached to his views on all topics. His deep scholarship, mature and sincere views, his great gift of eloquence, and wide and sympathetic outlook towards life enabled him to win a position of great leadership that proved to be extremely useful to the College, the Church and the society. As a member of the first Mission of Fellowship sent by the Indian Churches to Great Britain and Ireland, he made a profound impression in the countries in which the group visited. Prof. Varki passed away on June 5, 1944. The College Assembly Hall was named after him.

Prof. V. M. ITTYERAH (1895 - 1985)

After completing his B.A. (Hons) Degree from Madras Christian College, Prof. V. M. Ittyerah joined the staff of MCC. A close friend and associate of late Prof. K.C. Chacko, Prof. Ittyerah was one of the first persons who shared with the great soul, the idea of founding Union Christian College. Ever since the day in 1921, when he came to the College Hill with a friend, to clear the jungle around the old, dilapidated and uninhabited building, which was to be Union Christian College's first home, Prof. Ittyerah was a common friend of everyone in the college community. In 1927, he left the College to undertake study at Oxford. He returned in 1930 after completing his B. Litt. Degree and was a staff of the College till he retired at the age of 60. His sincerity, his desire to be of help to all, his enthusiasm, humility and cheerfulness, enabled him to make a distinctive and valuable contribution to the development of the College. He served the College in various ways: as a teacher and warden, as a staff adviser to the Student Christian fellowship, as a staff organizer of relief, for the poor and needy neighbours of the College, as well as in several other ways. He was the Principal of the College from 1942 to 1947. Prof. Ittyerah retired from active service in the College in May 1957 and was later the Principal of Mar Thoma College, Thiruvalla, for three years. Even after his retirement, Prof. Ittyerah continued his close association with the work of UC College until his death on November 9, 1985. Generations of students of Union Christian College cherished their association with Prof. Ittyerah, who was to them an inspiring and consecrated Christian teacher, guide and friend. The Administrative block was named after him.

Prof. C. P. MATHEW (1896 - 1970)

Prof. C.P. Mathew had been a staff of Madras Christian College after graduating in Philosophy. He was a member of the original group, the vision and initiative of which were responsible for the founding of the Union Christian College. He had put the stamp of his powerful personality upon every aspect of the College. His sense of fairness, his courage of conviction, his magnanimity and his undivided loyalty enabled him to make a unique and valuable contribution, both in shaping the policies of the college as well as in the conscientious and efficient discharge of day to day official duties. He was greatly respected for his profound scholarship in Philosophy and Theology and for the lofty ideals and

principles which guided his life. He was also known for his fervent spirit of patriotism and devotion to the Church. He was a member of the Mission of Fellowship which visited England in 1938. He served as Principal of the college from 1947- 52. He was a member of the first elected Parliament of the Indian Republic during 1952-57 and in that period he was also part of the Indian delegation to the UNESCO in Paris in 1952 and to the United Nations General Assembly in 1954.

Prof. Mathew continued to exert a great influence on the Christian Church and to take an active interest in the political milieu of the country. He also maintained a close association with the college until his death on September 24, 1970. The Mathew Block was named after him.

2.1.2. The Procedure for Imposition of Punishment

(a) The Principal of the college shall be the disciplinary authority in respect of the students in the college.

(c) If the Principal thinks that the delinquency alleged in the complaint requires further investigation/enquiry, he/she shall report the matter to the College Council. After reporting the matter and after seeking the views of the Council, the Principal shall appoint a competent teacher, or a team of teachers to enquire into the matter and to submit the report at the earliest.

(d) The Enquiry Officer so appointed shall conduct enquiry without delay after gathering oral or written evidence from the complainant as well as the person against whom the allegations/delinquency, were made. 2.1.6. Prohibition on the Misuse of Information Technology, Cinematic Dance, and Fashion Show

The Department of Higher Education, Govt. of Kerala, vide its order no. (RT) 346/05 dated 01 Mar 2005, has prohibited the misuse of IT in Institutions of Higher Education in Kerala. Accordingly, the use of mobile phones, camera phones, music phones, etc. by students inside the campus is strictly prohibited. Ordinary mobile phones should be kept switched off during working hours. Indecent cinematic dances and fashion shows are also prohibited in the campus.

Abide by the Rules

Rules and regulations alone cannot make a good College or Hostel; the most important point is that students and staff alike should have a spirit of loyalty and friendliness, and an earnest desire to join together in making their Hostel and College everything that they ought to be. But when a number of people are thus attempting to live together in a community, they have to be willing to be guided by certain rules or accepted traditions, so as to prevent disorder and confusion. Rules and regulations are formulated with this purpose in view and should not be regarded as something imposed mechanically from outside. These notes draw attention to some of the more important of the rules and customs by which our life is, or ought to be regulated. It would be a very good thing if every member of the College would carefully note them and try to respect them both in letter and in the spirit.

Life in the College should enable students to acquire good conduct, pleasing manners and cordial behaviour. It is meant to teach students to be courteous by considering others or those less privileged, as equals or superior than themselves. In this respect, particularly in the matter of teacher-student relationships, our country has a great and noble tradition and is the duty of all members of the College as cultured and educated citizens to be worthy of our great traditions.

2.2.6. Special Rules

a) Academic Work and Leisure

Nobody has any right to be in the College at all unless he is doing his/her academic work. We should all strive to create a congenial atmosphere in the classrooms, where it would be possible for the teacher to give his/her best and the student to receive to the limit of his /her capacity. A conscious effort is needed to preserve this congenial atmosphere suitable for concentrated academic work.

But college life cannot be entirely taken up with study. It is hoped that every student will get much pleasure and profit from games, debates, discussions and in the company of other students. We should try to make sure that whatever we do to amuse ourselves in our leisure moments does not interfere with other people's studies or with their liberty.

**LET'S KEEP OUR
CAMPUS PLASTIC
FREE.**

b) Games

It is most desirable that every student plays some open-air game in the evening. Those who play matches as well as those who watch need to remember that it is a part of a sportsman's training to take victory with good grace avoiding arrogance and accept defeat honourably without despair and ill will. During the inter-collegiate and inter-departmental matches / games, players and spectators are expected to maintain the decorum and show appreciation to all teams.

c) Care of Property & Campus Cleanliness

Every student is expected to take care of the buildings, grounds and furniture of the college. Students are requested not to litter the campus, and to use the separate containers/ bins meant for biodegradable and non-biodegradable waste.

d) Meetings, Debates etc.

Meetings, debates and gatherings of the kind should be carried on with the order and dignity befitting an academic community.

e) Special rules for the Clubs and the College Union

Secretaries of the Clubs and the College Union are requested to observe the following rules:

1. Do not invite speakers to the college without first consulting the staff advisors of the respective bodies and the Principal.
2. Whenever a meeting is arranged in the college give particulars about it to the Principal sufficiently early. This will also help to avoid conflict with the other programmes in the college.
3. It is better to avoid entertainers from outside the college community since it is student enterprise that the college wants to encourage. If under special circumstances outside agencies have to be invited, the details of the performance must be explained to, and permission obtained from the Principal before appointments are fixed with those agencies.

PROGRAMME SCREENING COMMITTEE: All extra-curricular programmes shall be staged only after the approval of the Programme Screening Committee.

12. SUPPORT FACILITIES

12.1. LIBRARY

The Library at UCC, with 9300 sq. feet building, has been serving as the central hub for teaching and learning activities for over nine decades. Equipped with international software *Alice for Windows* and a network connection to all teaching departments, it efficiently caters to the educational needs of the academic community, including more than 2000 students, about 150 faculty members, and 50 non-teaching staff.

Mission: The Library's primary mission aligns with the College's goal of collecting, organizing, and disseminating information to meet the educational and professional needs of students, faculty, and staff. It actively promotes open access resources and scholarly discourses while supporting the curriculum and fostering a love for learning. Additionally, the Library strives to extend its services to the broader community, within the limitations of available resources, aiming to advance scholarship and promote information literacy to contribute to an informed society.

Resources and Services:

- Collection: 84,000 printed books; subscription to 6000+ online journals, and 3 million e-books through N-LIST program.
- Access: Staff and students on the roll of the college can access the printed resources freely. Login ID and Password required to access NLIST resources (contact librarian for details).
- Journals: Bound volumes of journals are available for reference in the main collection.
- Connectivity: Library is connected to internet via 150 Mbps broadband/ leased line connection (internet for academic purposes).
- Cooperative Development of resources: Promotes resource sharing agreements on local and regional levels.
- Institutional Membership: UC College Library is a member of the American Library, Chennai.
- Information Literacy: General sessions offered at the beginning of the academic year for UG and PG students, with customized sessions available for special student groups.

Library working hours (Weekdays): 8:30 am - 5:00 pm.
