

Teachers' Feedback Analysis on curriculum (2019-2020)

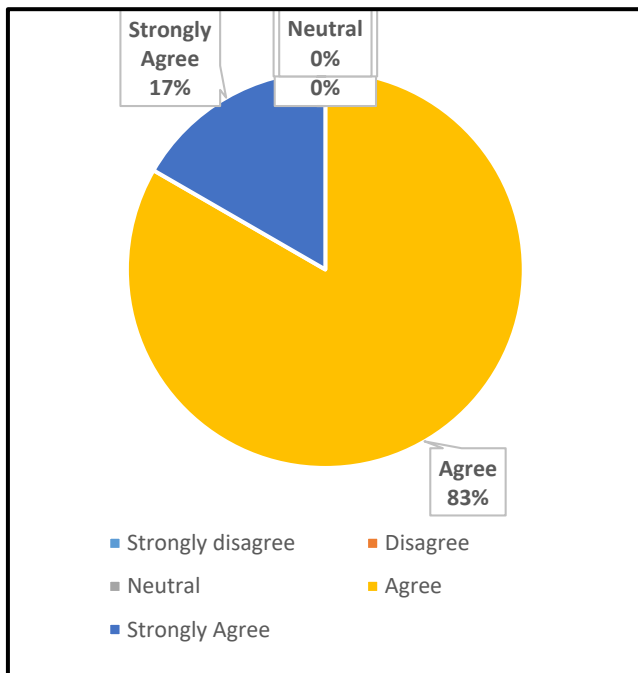

1. The Curriculum covers all fundamental aspects

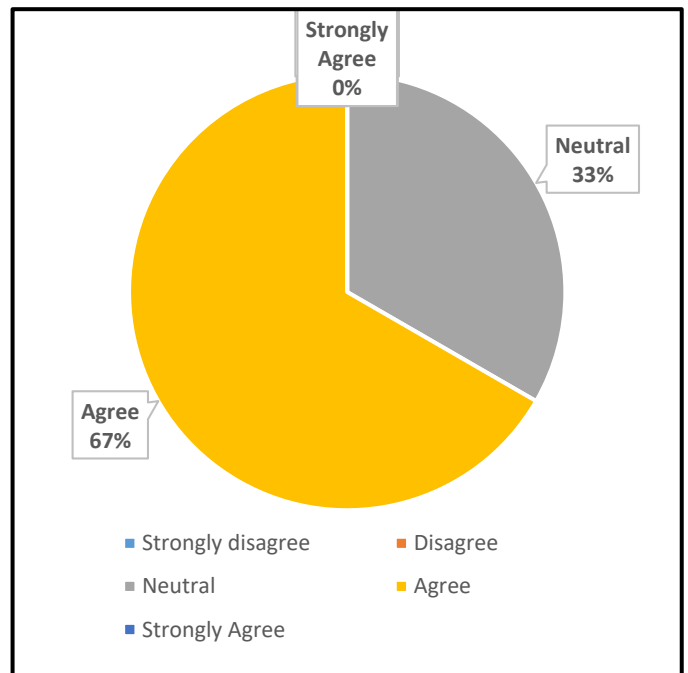

2. The curriculum has an inter-disciplinary approach

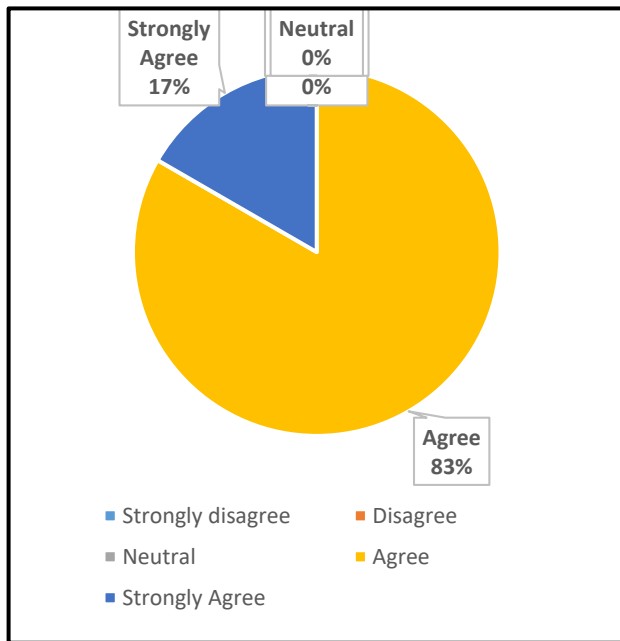

3. The course and programme outcomes are clear and attainable

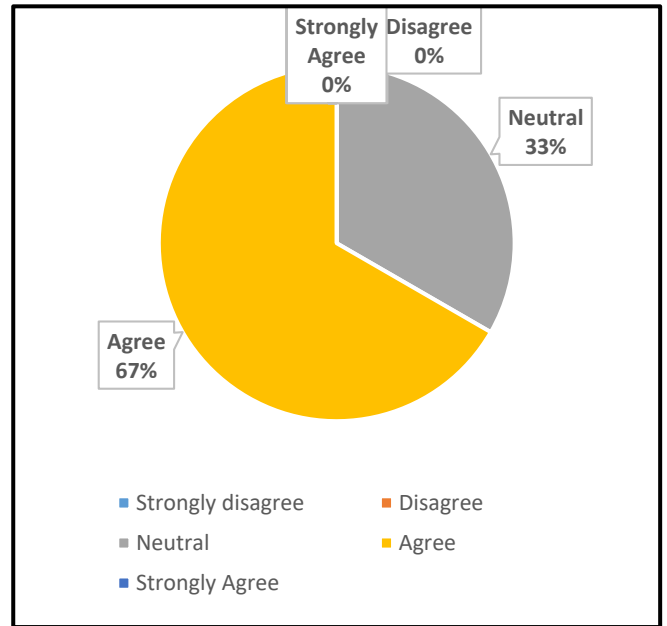

4. The courses offered are relevant and are in tune with industry

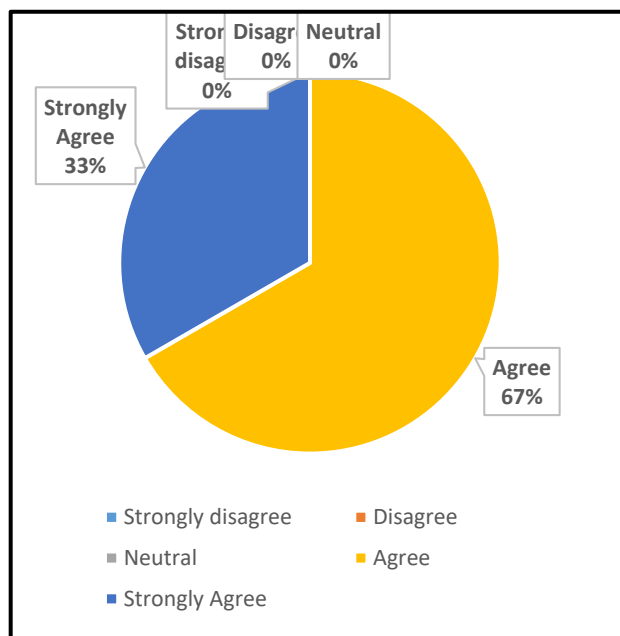

5. The specializations and electives offered are relevant

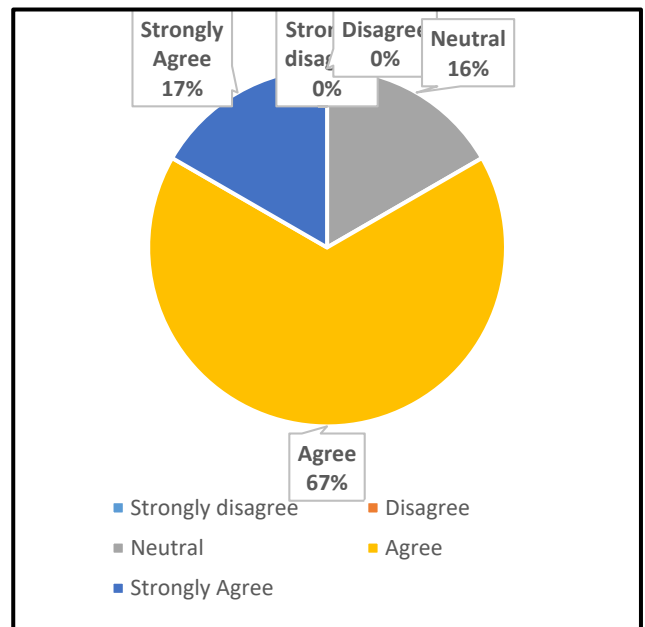

6. Syllabus can be comfortably covered in the semesters

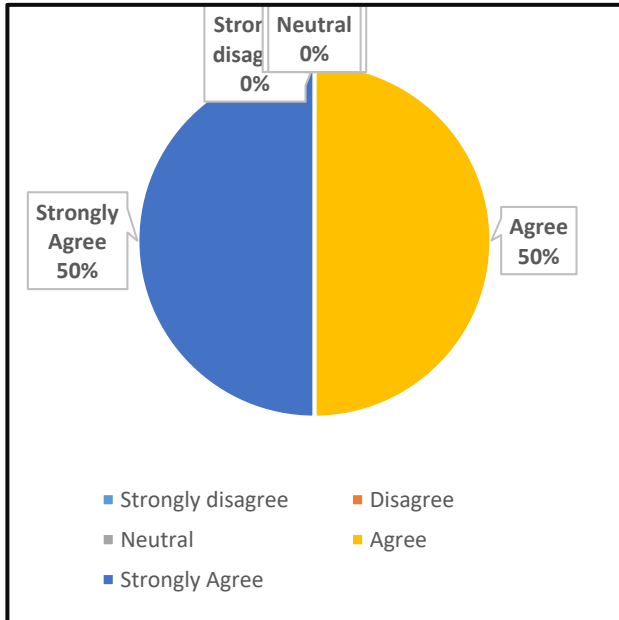

7. The curriculum provides room for participatory and experimental learning in the form of projects and assignments, field visits, industrial visits or study tours

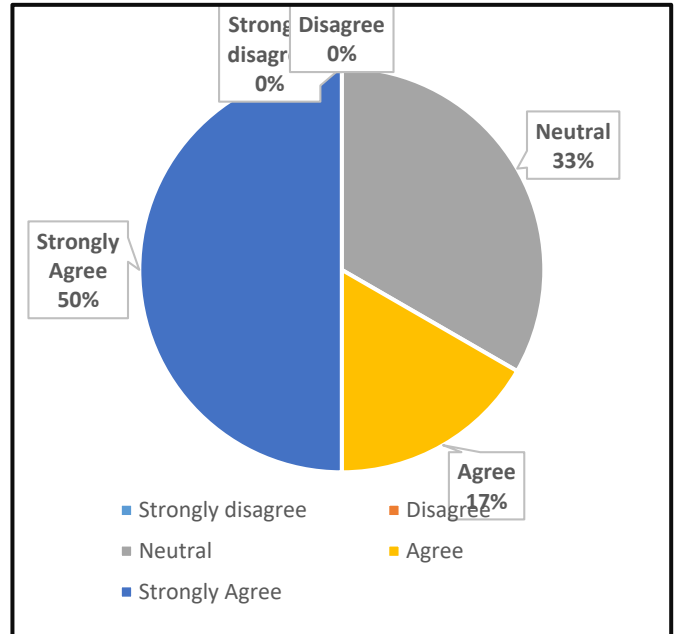

8. Conducive environment for good teaching – learning process

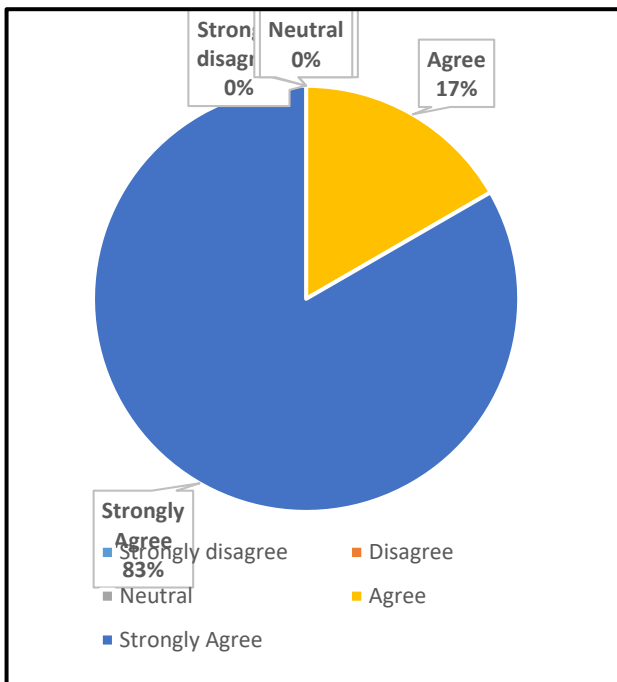

9. The Institution encourages strong student-teacher

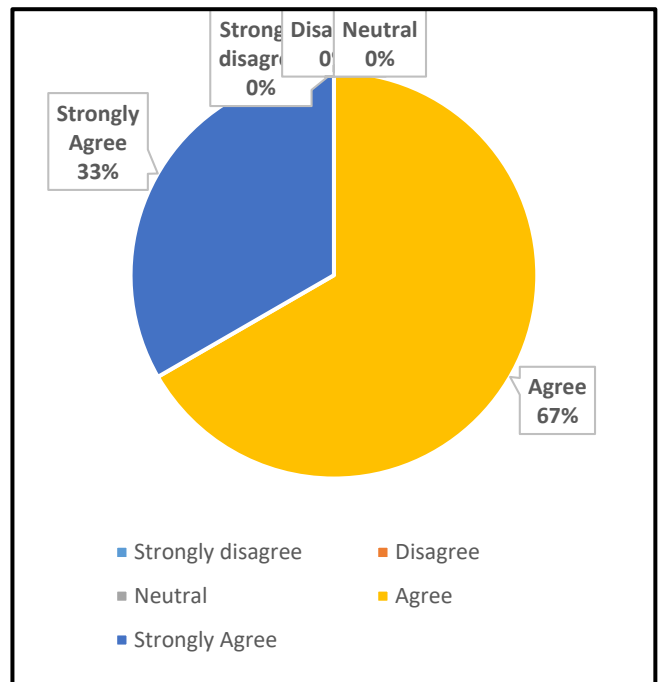

10. Institution caters to diverse talents of the students through NSS, NCC, extra-curricular clubs and association activities

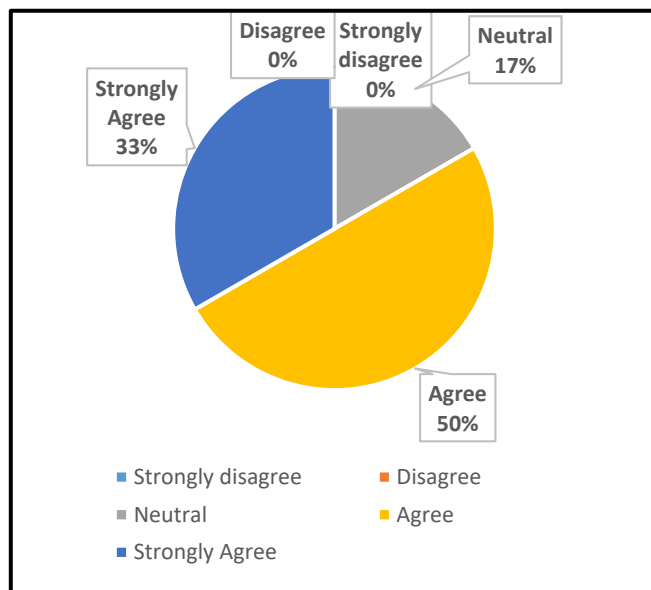

11. The college provides opportunities to inculcate values and ethics in campus

12. The college provides Infrastructural facility (Library, Laboratory, Internet)

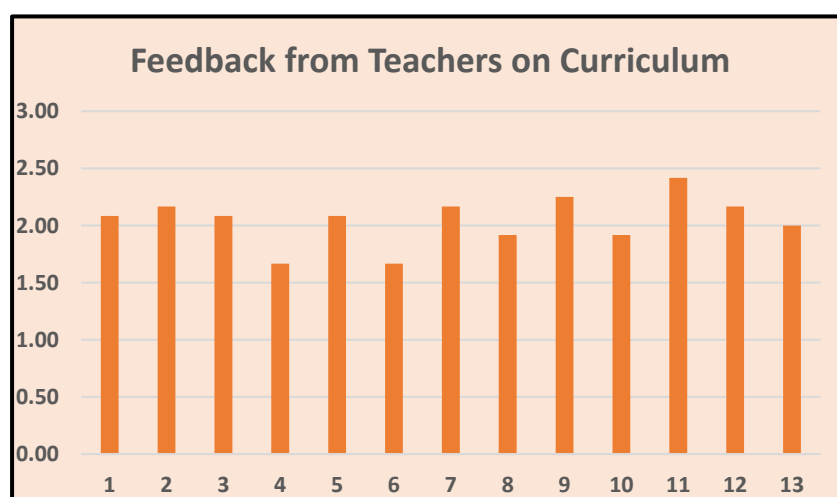

13. The Institution facilitates for ICT content development and sharing
