

**ACTION TAKEN REPORT BY INSTITUTION ON FEEDBACK ANALYSIS  
IN 2021-2022**

Institution recommends the following measures based on the feedback analysis from the different stakeholders such as students, teachers, alumni and employers

- Departments and faculty members should ensure that regular mentoring programs are being conducted along with systematic record maintenance
- Departments are entrusted with the planning of different academic activities for the Centenary celebrations of the College with the active participation of students
- Departments should ensure that more add on and value added courses are incorporated to enrich the curriculum
- To regularly arrange career guidance classes for students
- Promotion of eco-friendly drives through introduction of clubs and various department activities.
- Peer learning initiatives should be promoted by the Departments
- Decided to have more ICT enabled classrooms.
- Suggestions were given to the Departments to bring in more collaborations with research institutes and Universities
