

Action Taken Report by the Institution on Feedback Analysis 2022 - 2023

Institution recommends the following measures based on the feedback analysis from the different stakeholders such as students, teachers, alumni and employers

- Opportunities should be provided to students to improve their internal marks through retests and assignments.
- To regularly arrange career guidance classes for students
- To conduct more placement drives.
- Departments should ensure that more add on and value added courses are incorporated to enrich the curriculum
- Departments and faculty members should ensure that regular mentoring programs are being conducted
- Maintenance of the high speed internet access facility through addition of more routers.
- Promotion of eco-friendly drives through introduction of clubs and various department activities.
- Departments are entrusted with the execution of academic level exhibitions and cultural activities for “Centennial Vista”
- All Departments should ensure that remedial classes are being regularly conducted
- Peer learning initiatives should be promoted by the Departments
